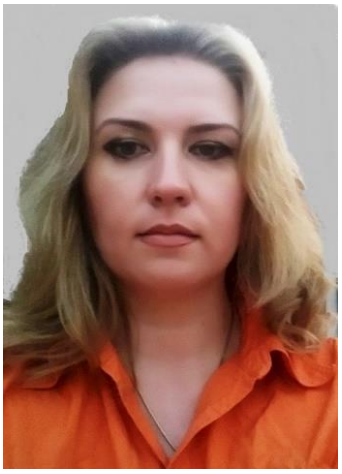
AZERBAIJAN STATE AGRICULTURAL UNIVERSITY



Name: Inga

Surname: Abilova

Father's name: Eldarovna

Date of birth: 15.03.1977

Work phone: -

Mob: 0556558250

E-mail: inqaabilova@mail.ru

Faculty: Agronomy

Department: Biology

EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

In 1997 she graduated from the agronomic faculty of the Azerbaijan Agricultural Academy (ADAU);

In 1999 she graduated from the magistracy of the Azerbaijan Agricultural Academy (ADAU) in the specialty "Selection and seed production"

In 2012 she received her Ph.D. degree in biological sciences, specializing in "Biochemistry" on the topic: "Radiation strylization and microwave treatment of common barberry (*Berberis vulgaris* L.)"

In 2015 she received the title of associate professor in the specialty "Biology"

EMPLOYMENT

In 1999, an intern at the Department of Botany;
In 2000, an assistant at the Department of Botany;
In 2012, senior lecturer at the Department of Biology;
In 2013, Acting Associate Professor of the Department of Biology;
In 2015, Associate Professor of the Department of Biology.

In the bachelor's degree he conducts lectures and laboratory classes in the following subjects: "Medical botany", "Pharmacological botany", "Anatomy and morphology of plants", "Systematics of plants".
In the magistracy, he conducts lectures and laboratory classes in the following subjects: "Morphophysiology", "Research Methods", "Phytochemistry".

Author of over 40 scientific papers, 1 patent, 1 study guide, 2 teaching aids, 28 articles, 11 programs.

AREA OF RESEARCH

Obtaining biologically active substances of plant origin, methods of drying medicinal plants, plant biomorphology.

PARTICIPATION IN INTERNATIONAL SEMINARS, SYMPOSIUM AND CONFERENCES

1. Modern Agrarian Science: Actual problems of the century in the context of globalization and development prospects. International Scientific and Practical Conference, Ganja, September 22-24, 2014.

2. Second International Scientific and Practical Conference: "Resource-saving technologies in agriculture", Yaroslavl, December 14, 2016.

3. International Scientific and Practical Conference "Innovative way of development of agricultural enterprises". Collection of scientific papers based on the materials of the XL International Scientific and Practical Conference of the teaching staff, Yaroslavl, February 15-16, 2017.

4. International Scientific and Practical Conference: "Soils and their effective use." Materials of the International Scientific and Practical Conference dedicated to the 90th anniversary of the birth of Doctor of Agricultural Sciences, Honored Scientist of the Russian Federation, prof. V. V. Tyulina, Kirov, February 6-7, 2018.

5. X International Conference on Ecological Plant Morphology, dedicated to the memory of Ivan Grigorievich and Tatyana Ivanovna Serebryakov, Moscow, November 27-30, 2019.

SCIENTIFIC WORKS

1. K.Y. Mamedova, I.E. Abilova. Prospects for the cultivation of licorice in Azerbaijan. Modern Agrarian Science: Actual Problems of the Century in the Context of Globalization and Development Prospects. International Scientific and Practical Conference, Ganja, Azerbaijan, September 22-24, Part I, 2014, pp. 161-163.

2. I.E. Abilova. Influence and distribution of incorporated radionuclides in various organs of common barberry. Modern Agrarian Science: Actual Problems of the Century in the Context of Globalization and Development Prospects. International Scientific and Practical Conference, Ganja, Azerbaijan, September 22-24, Part I, 2014, pp. 103-105.

3. I.E.Abilova, K.Y.Mamedova, R.M. Ganbarov. Impact of cattle grazing on biodiversity of Goy-Gol region. Second International Scientific and Practical Conference: "Resource-saving technologies in agriculture", Yaroslavl, December 14, 2016, pp. 3-6.

4 I.E.Abilova, R.M. Ganbarov. The influence of anthropogenic factors on the biodiversity of the Goygol region. International Scientific and Practical Conference: "An innovative way of development of agricultural enterprises." Collection of scientific papers based on the materials of the XL International scientific-practical conference of the teaching staff, Yaroslavl, February 15-16, 2017, pp. 3-5.

5. A.M. Guseinov, K.Yu. Mamedova, I.E. Abilova. Use - plants phytomeliorants in the fight against land degradation of the Republic of Azerbaijan. International Scientific and Practical Conference: "Soils and their effective use." Materials of the International Scientific and Practical Conference dedicated to the 90th anniversary of the birth of Doctor of Agricultural Sciences, Honored Scientist of the Russian Federation, prof. V. V. Tyulina, Kirov, February 6-7, 2018.

6. A.S. Zernov, I.E. Abilova. Biomorphological features of Eremostachys laciniata (L.) Bunge (Labiatae). Proceedings of the X International Conference on Ecological Plant Morphology dedicated to the memory of Ivan Grigorievich and Tatyana Ivanovna Serebryakov, Moscow, November 27-30, 2019, pp. 3-8.
