

AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

Name: Aitan

Surname: Zeynalova

Father's name: İlham

Date of birth: 26.12.1992

Work phone: 0222662803

Mob: +994558287065

E-mail: zeynalova92.92@mail.ru

Faculty: Agronomy

Department: General agriculture, genetics and plant
breeding

EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

In 2009 she graduated from the faculty of Agronomy of ADAU.

In 2016 she graduated from ADAU with a master's degree in Agronomy specialty «Plant breeding » with honors diploma.

In 2017-2021, she conducted a dissertation on the topic "Study of biomorphological features, economically valuable traits of geographically distant cotton sorts and use in breeding."

EMPLOYMENT

Since 2013-2021, assistant at the department of General Agriculture, genetics and plant breeding;

Lectures and laboratory classes in Azerbaijani and English at the undergraduate level: "Cropping and cropping systems M1-2", " crop rotation systems (ecological farming)", "Production technology of agricultural products", " Fundamentals of Agronomy", " Fundamentals of crop production" , " Fundamentals of scientific research in agronomy ";

Author of more than 15 scientific works, 12 articles, 3 programs.

RESEARCH AREA

Study of biomorphological features, economically valuable traits of geographically distant cotton sorts and use in breeding.

PARTICIPATION IN INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES

1. V International Scientific and Methodological Conference: "The Role of Physiology and Biochemistry in the Introduction and breeding of Agricultural Plants." Moscow, 2019.
2. Scientific-practical conference: "Development of organic agriculture in Azerbaijan", Ganja: ADAU, 2019.

ARTICLES AND SCIENTIFIC WORKS

1. Zeynalova A.I. Study of biomorphological features of geographically distant cotton sorts. Scientific Research Institute of Azerbaijan. News collection. Ganja, 2018, № 3(78), p. 114-118. (azerb.)
2. Zeynalova A.I. Study of biomorphological features of geographically distant cotton sorts. The caucasus economic & social analysis journal. Tbilisi, 2019. (rus.)
3. Zeynalova A.I. Study of biomorphological features of geographically distant cotton sorts. V International Scientific and Methodological Conference: "The Role of Physiology and Biochemistry in the Introduction and breeding of Agricultural Plants." Moscow, 2019. (rus.)
4. Zeynalova A.I. Study of the development phases of geographically distant cotton sorts. ASAU: Collection of scientific works, Ganja, 2019. (azerb.)
5. Zeynalova A.I. Comparative study of local and introduced sorts of cotton. Scientific-practical conference: "Development of organic agriculture in Azerbaijan", Ganja: ASAU, 2019.(azerb.)
6. Zeynalova A.I. Study of biomorphological features geographically distant cotton sorts. The caucasus economic & social analysis journal. London, 2020.(rus.)
7. Zeynalova A.I. Comparative study of introduced sorts of cotton. "Journal of Nature and Science" Azerbaijan Science Center, Baku, 2021.(azerb.)
