

# AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

**Name:** Mahir

**Family name:**Shabanov

**Father's name:** Djamil

**Date of birth:** 01.05.1948

**Work phone:** -

**Mob. phone:** +994558202650

**E-mail:**shabanov.mahir.1948@mail.ru

**Faculty:** Agronomy

**Department:** Plant growing

## EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

In 1976 graduated from the specialty "Agronomy" at the Azerbaijan Agricultural Institute (now the Azerbaijan State Agricultural University)

## WORK EXPERIENCE

From 1966 to the present day at the ADAU at the Faculty of Agronomy, now as a senior lecturer

Lectures and laboratory classes on "Technologies of crop production" and "Applied crop production"

Author of over 35 scientific articles, 1 textbook, 3 study programs and 1 plant sort

## RESEARCH AREAS

Evaluation of grain sorts for adaptation and stress resistance to extreme conditions

## PARTICIPATION AT INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES

-

## **SCIENTIFIC WORKS**

1. Scientific works of ADAU, "Sowing dates and the influence of predecessors on the yield of sugar beet root crops", Ganja 2012. pp. 42-44
2. Scientific-practical conference dedicated to the 90th anniversary of Heydar Aliyev. "Impact of sowing rates on the yield of winter wheat", Ganja 2013.
3. Scientific works of the ADAU "The influence of the sowing time on the yield of sugar beet depending on the predecessors", Ganja, 2014.

### Invention

1. "Kapaz" corn sort, State Register, 2005

### Textbook

1. Succulent forage crops, publishing "Nurlan" Baku 2013

### Study program

1. "Crop production", Ganja, ADAU 2011
2. "Technologies of crop production", Ganja ADAU 2011
3. "Fundamentals of plant growing", Ganja, ADAU 2011
4. "Technologies of crop production (speciality ecology)", Ganja, ADAU 2019

### Methodical instruction

- 1."Plant growing" Ganja, ADAU 2011

## **LANGUAGE SKILLS**

English

Russian
