

AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

Name: Maharram

Surname: İsmayılov

Father's name: Musa

Date of Birth: 15.07.1962

Work phone: -

Mob: 050-324-77-15

E-mail: ismayilov.maharram@gmail.com

Faculty: Agronomy

Department: Crop production

EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

Azerbaijan State Agricultural University, specialty agronomy, doctor of philosophy in agrarian sciences (crop production - 06.01.09), associate professor

EMPLOYMENT

11.09.2009 to present, the Dean of the Faculty of Agronomy of ADAU, 0.5 full-time associate professor at the Department of Crop Production.

20.09.1984-29.11.1984 Deputy Secretary of the Komsomol Committee of the Azerbaijan Agricultural Institute

29.11.1984-05.07.1986 Secretary of the Komsomol Committee of the Azerbaijan Agricultural Institute

05.07.1986-01.06.1988 Nakhchivan, Khanlar city, officer of military unit N, secretary of Komsomol organization

02.06.1988-28.12.1988 Laboratory assistant at the AAI plant growing department

28.12.1988-27.10.1992 AAI Assistant at the Department of Plant Breeding

27.10.1992-07.03.2002 Senior Lecturer at the Department of Plant Breeding AAA.

26.01.1998-15.09.2005 AAA Deputy Dean

07.03.2002-15.09.2005 Associate Professor at the Department of Crop production of AAA

15.09.2005 Associate Professor at the Department of Crop production, Selection and Genetics of AAA

24.02.2006-22.01.2009 Deputy Head of Education Department of AAA

22.01.2009-31.08.2009 Head of AAA practice and employment department.

31.08.2009-11.09.2009 Acting Dean at the Faculty of Agronomy and Technology of ASAU, Associate Professor at the Department of Crop production, Selection and Genetics, 0.5 staff unit.

He is the author of more than 100 scientific works, including 5 textbooks, 1 book, 2 methodical aids, 3 inventions, 9 programs and 3 varieties.

RESEARCH AREA

Optimization of technological measures to increase the productivity of field crops and ensure the production of ecological products in the western region of Azerbaijan

PARTICIPATIONS IN THE INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES

1. Germany, Turkey, CIS countries, Azerbaijan, etc. The impact of sowing times on the crop of wheat "Barakatli-95", Modern Agrarian Science: Actual problems of the century in the context of globalization and development prospects. International scientific-practical conference, September 22-24, 2014 Ganja, Azerbaijan
2. Perspectives of triticale exposure in Azerbaijan Article Formation of professionals in the conditions of the region new approaches. XV International Scientific Conference November 27-28, 2015, Tambov
3. Biological and economic characteristics of the triticale variety. Innovative development of agrarian science and education: World experience and modern priorities. International Scientific-Practical Conference, October 23-24, 2015 Ganja Azerbaijan,
4. The role of new varieties and gene pool in increasing productivity in the agricultural sector, the development of agricultural science, international cooperation in food security and environmental protection. 8th International Scientific Practical Conference 03-04 October 2016 Ganja / Azerbaijan
5. Technology of cultivation of "Kismet" triticale variety. Ways to increase soil fertility in Azerbaijan. National scientific-practical conference dedicated to the 80th anniversary of Academician Mammadtagi Ibrahim oglu Jafarov (July 8, 2016) Ganja -2016

SCIENTIFIC WORKS

1. Practicum in horticulture. Textbook, AAA printing house named after S. Agamalioglu, Ganja, 1996, 66 p.
2. Tritiikale and technology of its cultivation. Textbook, Azerbaijan Agricultural Academy, Ganja, 1998. 25 p.
3. Accelerated methods of obtaining fruit varieties. Invention, patent for invention of the Republic of Azerbaijan a2001 0017, number of bulletin 2, Baku, 2002
4. Method of control of agricultural pests, such as mosquitoes. Invention, patent for invention of the Republic of Azerbaijan a2002 0077 Baku, 2002
5. Working body of agricultural plant pruning device. Invention Patent of the Republic of Azerbaijan invention a2002 0155 Baku, 0077 Baku, 2002
6. Tritiikale. Textbook, Azerbaijan Agricultural Academy, Ganja, 2005, 36 p.
7. Buckwheat. Methodical aids, Baku - 2010 35 p.
8. Cereals and legumes. Textbook with stamp, Baku city - 2010 142 p.
9. "ADAU-80" corn variety. SORT. Certificate of authorship 00138. Registered in the State Register on April 27, 2011 by the decision of the State Commission for Testing and Protection of Selection Achievements of the Ministry of Agriculture of the Republic of Azerbaijan, Baku 2011.

10. Production technology of crop products. Working programm. Publishing house of ADAU/ Ganja -2011
11. Crop production. Working programm, ADAU Publishing House Ganja -2011
12. History and methodology of plant science. Working programm, ADAU Publishing House Ganja -2011
13. Cultivation of field plants on biological bases. Working programm, ADAU Publishing House Ganja -2011
14. Modern problems of plant science. Working programm, ADAU Publishing House Ganja -2011
15. Crop production. Textbook, "East-West" Publishing House Printing House, Baku-2012, 356 p.
16. Agrobiological characteristics of corn, recommendations on its cultivation and seed production. Recommendation, ADAU Publishing House, Ganja-2012, 42 p.
17. "Fertilizer sort of winter wheat at the introduction of intensive technology", Article adopted for publication in issue "9" (27) 2014 was published in the magazine "Problems of modern science and education". Certificate of registration of SMI PI № FS 77 - 47745 from 09.12.2011 ISSN 2304-2338. Territory of distribution: Russian Federation, foreign countries
18. The effect of sowing times on the crop of wheat "Barakatli-95", Modern Agrarian Science: Actual problems of the century in the context of globalization and prospects for development. International scientific-practical conference, September 22-24, 2014 Ganja Azerbaijan, p. 28-30
19. Prospects for the identification of triticale in Azerbaijan, the formation of professionals in the conditions of the region new approaches. Proceedings of the XV International Scientific Conference November 27-28, 2015, Tambov pp.79-82
20. Biological and economic characteristics of Kismet triticale variety, Innovative development of agrarian science and education: World experience and modern priorities. Proceedings of the International Scientific-Practical Conference. Volume I October 23-24, 2015 Ganja Azerbaijan, p. 43-45a
21. "Productive" corn variety. SORT. Certificate of Copyright 00194 was registered in the State Register on April 20, 2016 by the decision of the Ministry of Agriculture of the Republic of Azerbaijan, Baku 2016, the State Commission for Testing and Protection of Selection Achievements of Azerbaijan.
22. The role of new varieties and gene pool in increasing productivity in the agricultural sector, International cooperation in the development of agrarian science, food security and environmental protection Materials of the 8th International Scientific Practical Conference 03-04 October 2016 Ganja / Azerbaijan p.28-31
23. Technology of cultivation of "Kismet" triticale variety, ways to increase soil fertility in Azerbaijan. Materials of the Republican scientific-practical conference dedicated to the 80th anniversary of Academician Mammadtagi Ibrahim oglu Jafarov (July 8, 2016) Ganja -2016 p.59-61
24. "Kismet" triticale variety. SORT. Copyright certificate 00213 was registered in the State Register on February 28, 2017 by the decision of the Ministry of Agriculture of the Republic of Azerbaijan, Baku 2017, the State Commission for Testing and Protection of Selection Achievements of Azerbaijan.
25. Laboratory classes on plant growing. Textbook, Baku, "Implus LTD" publishing house, 2020, 406 p.
26. Influence of norms and deadlines on harvest of hard wheat, Indication of the state of the environment: theory, practice, education, Moscow, 2020
